

LOUDSPEAKER

Dear Aunt Gertrude,

Well this is our yearbook. I hope you like it. It's a little late for your birthday, but it couldn't be helped the yearbooks came too late. I hope every-thing out in California is working out for you. Everything out here is okay I guess. I'm doing good in school so I guess everything is working out pretty good. Well Take Care + Keep in Touch

Love Always

Robbin

P.S. I'm sorry I haven't written in a long time but it will be right.

Love ya

IN APPRECIATION OF MR. CLARENCE HECK E.H.S. ENGLISH DEPARTMENT 1950-1984

The 1950's probably had more impact on the Elkland area than any other decade by introducing it to pizza, Rock and Roll, and Mr. Clarence Heck.

Mr. Heck came to the Elkland schools in the fall of 1950, fresh out of Lock Haven State College and the United States Navy, ready to teach students the finer points of the English language. He not only accomplished his goal but managed also to teach art, supervise the library, and with his eighth graders produced such gems as Donna's Troubles and Thanksgiving at the Snoog-lepods. Playgoers still talk of the ghost makeup and leopard skin skirt from two of the many junior and senior plays he directed.

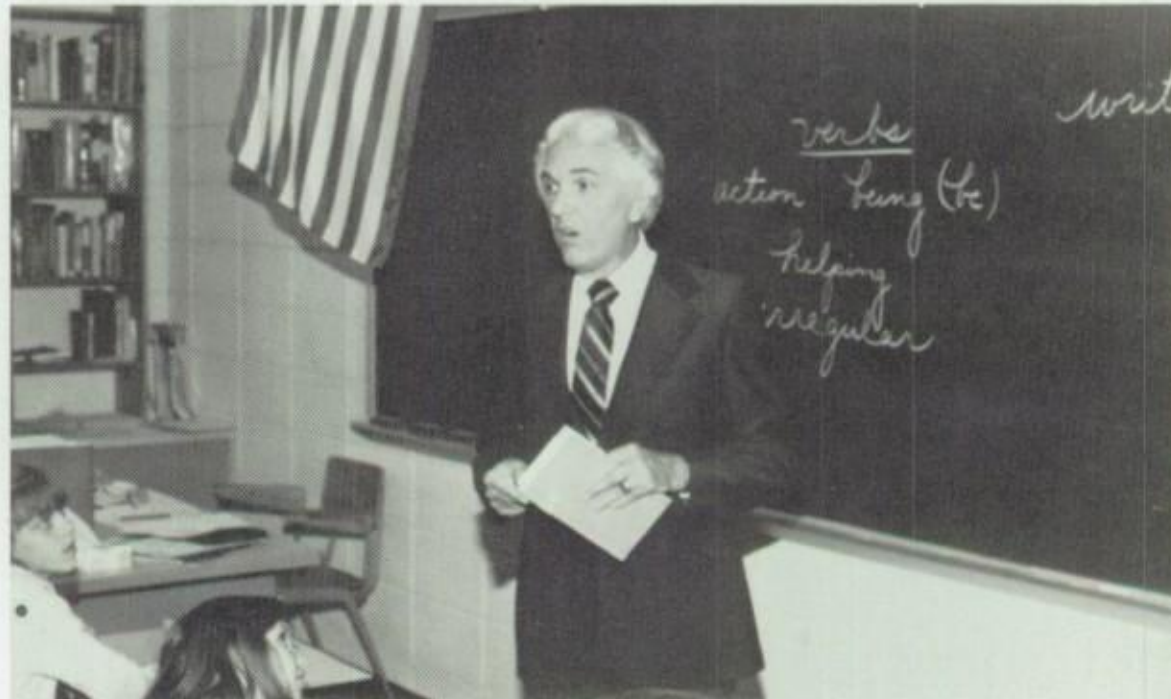

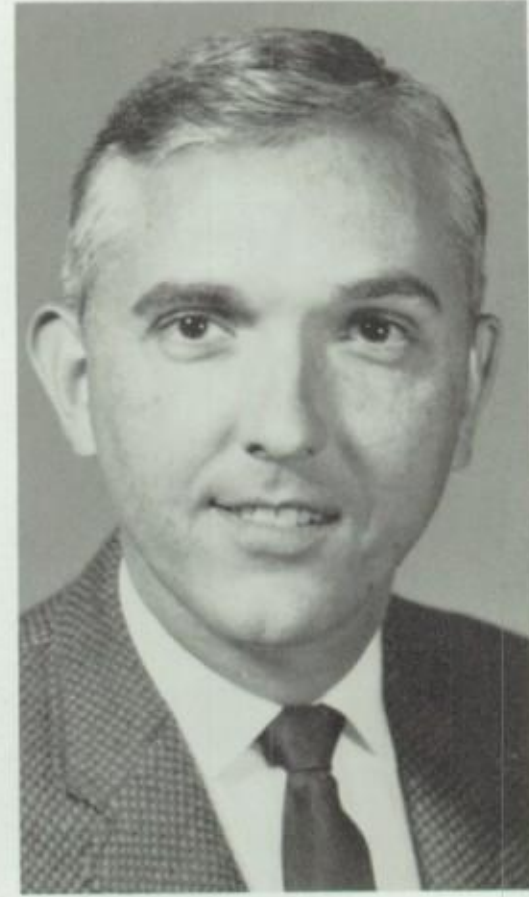

Upon his arrival in Elkland he joined the Parkhurst Presbyterian choir and a short time later became the choir director; he joined the teachers' association and remained a faithful member throughout his teaching career; he has continually been called upon by community groups to present such groups as King Lear or Mac Beth. His students look back and immediately visualize a demanding teacher, impeccably dressed, who could still them with the raising of an eyebrow. They also see him, however, as their Student Council advisor dressed up for "Twin Day" or organizing a campus carnival; they see him as their class advisor leading them across the gym floor during a pep rally, marching to "When the Saint Come Marching In", tromping the Freedom trail in Boston or climbing the steps of the Washington Monument in Washington D.C. They remember that he read their short biographies at commencement.

Cheerleaders remember going to the Penn Elk after a ballgame with their advisor Clarence Heck and while he sat with his colleagues, they sat with their "tubbers" (his treat if they won!). Former students remember that he participated in the Christmas assemblies, took part in the "Beautiful Legs" contest, and for supporting the March of Dimes ended up with a pie in the face. They can see him chaperoning a dance or a field trip or sitting quietly helping an exchange student.

Through his first generation of students and colleagues remember a very slender Mr. Heck with shiny black hair, and second generation a slightly heavier, gray haired distinguished looking gentlemen, they all remember him.

They all appreciate the effect of pizza on their menus, the effect of Rock and Roll on their music, but they appreciate the effect Mr. Heck has had on their lives

—Mrs. Lois Churchill

DEDICATION-MR. RODDY FISHER

This year our class decided to dedicate the 1984 Loudspeaker to a man who is highly respected by the members of our class.

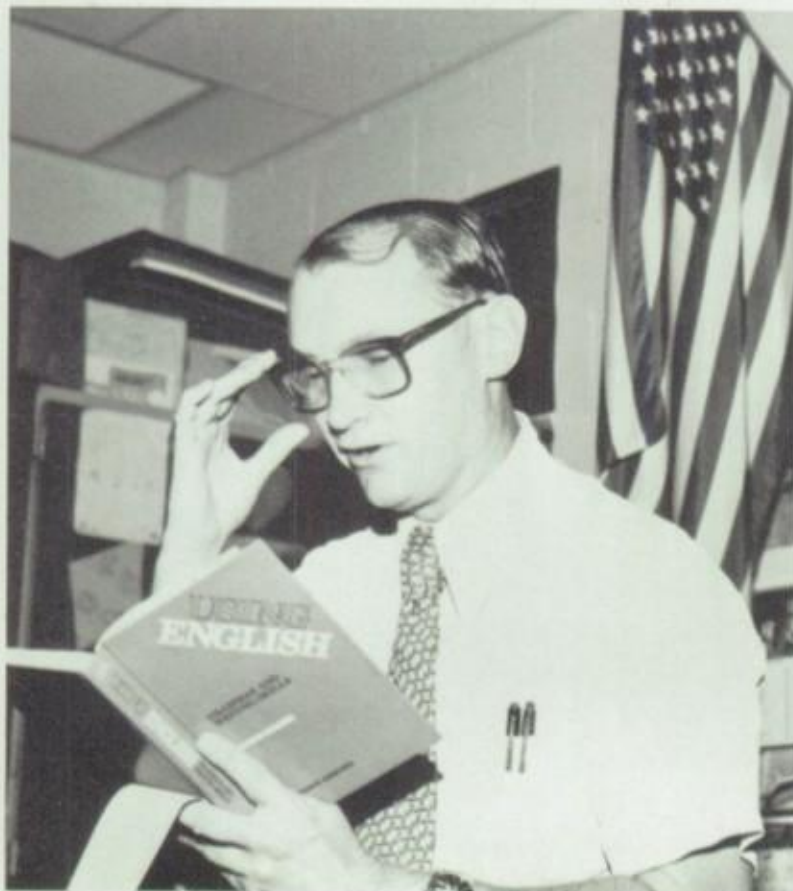

He is one teacher who always took the time to take an interest in each one of us as an individual. That, combined with his unique, jovial personality- made him appreciated and admired by all our class.

He has always been eager to get involved in the coaching of several different intramural sports, and has been the advisor of many different clubs in the past.

He has been teaching at Elkland since 1968, and we feel this dedication is way overdue!

The Class of '84 will miss Mr. Fisher, and we'd like to take this time to thank him for everything he has done for us!

—Caryn R. Schmidt

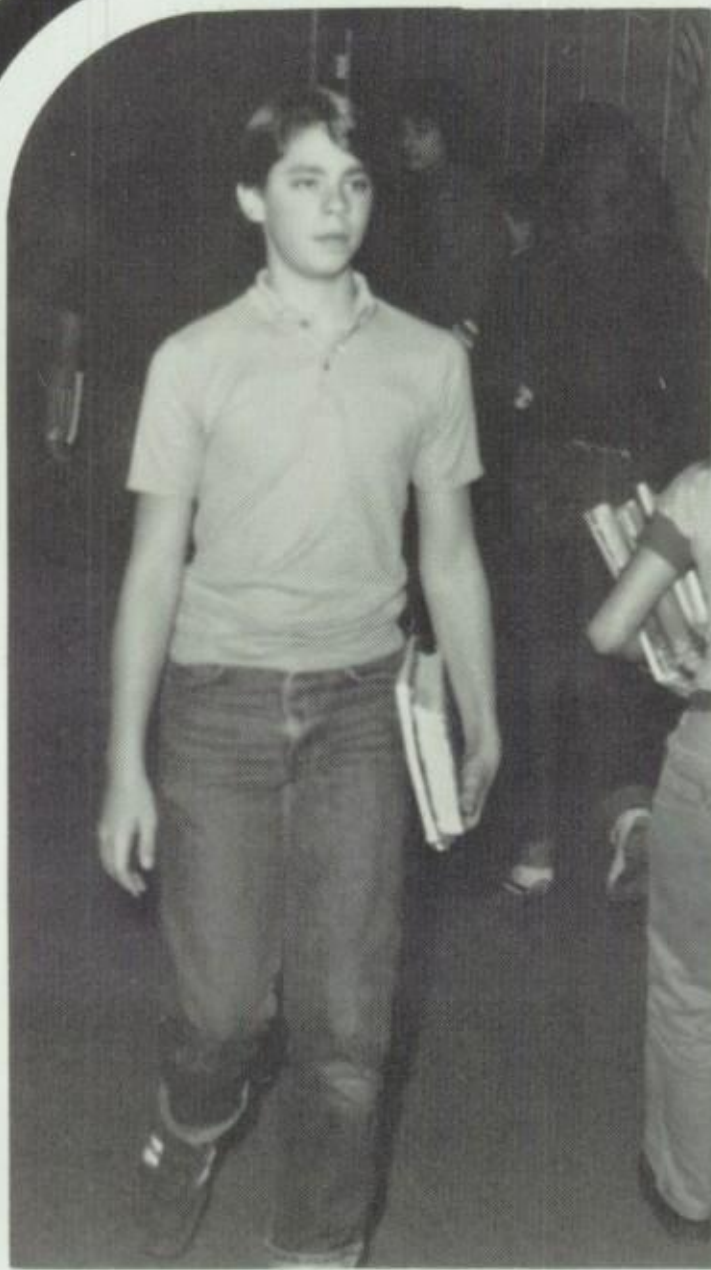

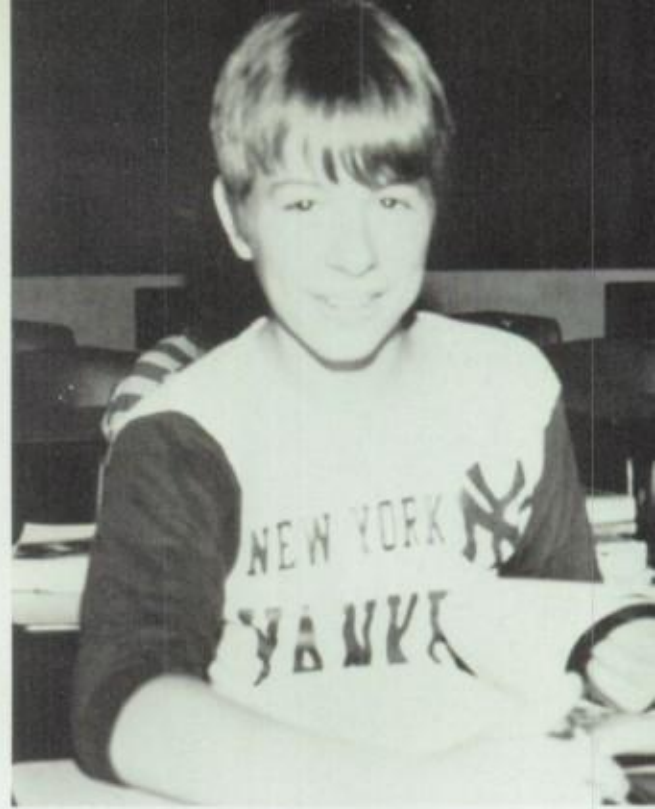

IN MEMORY OF LISA RUSSELL DEXTER 1962-1981

We, the class of 1984, dedicate this yearbook in memory of Lisa Russell Dexter, an EAHS 80 alumnae. She was a happy person with a quick smile and a ready laugh. She loved sports, especially basketball, and also participated in volleyball and track in high school. She was also a very good student at the same time. Among her school honors were membership in the National Honor Society and Most Valuable Player in Basketball 1980. In the Elkland High School office there is a plaque, and each year at graduation there is an award given in Lisa's honor for the Girls Athlete - Scholar of the Year.

IN MEMORY OF CLARK WOOD 1902-1982

We, the class of 84, dedicate this Loudspeaker in memory of Clark Wood, a very well respected Elkland educator. He served as a teacher, principal and supervising principal in the Elkland schools, as well as being a graduate of them. Following his tenure at Elkland he was appointed Assistant Superintendent of the Tioga County Schools. Mr. Wood was also the Basketball coach for many championship teams. Known for keeping everyone in line, Mr. Wood worked constantly to maintain high educational standards for the community he loved. Clark Wood Elementary School is named in his honor.

Sometimes I cry when I think of that day-
 All the sad goodbyes, the going away.
 But sometimes I can't wait to just be gone,
 Although I hate the thought of being alone.
 What I'll miss the most is not hard to see,
 I know I'll miss them, I know they'll miss me,
 It's my friends of course, why must we part?
 Must we grow up, in our minds and our hearts?
 Many people say, it won't hurt so bad,
 But I know It will, I know I'll be sad!
 There will always be a connection, a special bond
 Between me and my friends . . .
 May the memories stay fond.

—Caryn

Seniors:

Education is both a personal interest and a material asset. It enlarges life for each of us and for the community and the nation. It determines how far we will advance and how high we will stand among men. It teaches us to think, to communicate, and to make intelligent decisions. It instills in us a sense of duty and consequently results in better individuals and citizens. Your parents and teachers have pointed you in the right direction. The search, the challenge, the realization is up to you. You will need vision and courage. As you play your part, do your best. Opportunities will come your way if you are physically, emotionally, and mentally prepared.

KENNETH D. SCHOONOVER
DISTRICT SUPERINTENDENT

Dear Seniors,

Graduation from high school is a very satisfying time because you have completed a segment of your life which has required considerable time and effort on your part. The amount of satisfaction you feel will probably be directly proportional to the effort you have invested. However, let me caution you not to be too satisfied because as J. Willard Marriott, Sr. once noted "dissatisfaction is the basis of progress". Always feel a need to improve yourself and your lot in life. This will be your incentive to be a better person and a more productive member of society. Be suspicious of yourself if you arrive at the point where you are completely satisfied that you have accomplished all of life's goals. Be satisfied with what you've done but not to the point that you don't strive for further accomplishments. Best of luck in your quest for "satisfaction".

This year Elkland's soccer team wasn't as successful as in the past. The league record was 6 wins and 11 losses. The top scorer was Ben Walters. The team is looking forward to a good season next year, with lots of young players returning.

FOOTBALL

For the second year, Elkland athletes participated in the football program at CV. From last year's number of 4, this year showed a big increase in the number of people who went out. A total of 12 people went out, although 7 stuck out the entire season. This year brought the addition of junior high players to the program at C.V. Participating in the junior high level were Freshman Tom Butler, Dale English, and Steve Stanley. Playing on the varsity team were: Senior, Tom English; and Juniors, Woody Swan, John Griffin, and Mike Learn. The Elkland players got a lot of playing time during the course of the season. Tom English was an end on offense, while he played safety on defense; Woody Swan was the quarterback, punter, kicker, and played linebacker on defense; John Griffin played fullback and defensive end; and Mike Learn played guard and defensive halfback. Our season started with two wins and one loss. But then an injury and some bad grades sidelined some of our key players.

The season's high point was the last game of the season against Towanda, one of the highest ranked area teams. We were winning 14-0 at half time, but they came back to win 21-14. Although we lost, it was the best game we played all season.

The Junior High team had a very successful season. Up until the last game their record was 6-0, until they lost to Canton in their last game. Tom Butler quarterbacked the team to a 6-1 record, while Dale English and Steve Stanley played end. —Woody Swan

This year was a very respectable season, but it had its ups and downs. At times we were unbeatable, and other times mediocre. Again we had a great leader in Coach Orchowski, who helped us work together and not depend on one person to dominate. Towards the end of the first half of the season we began to play as a team, leading to a 14 and 7 season. Good luck in next years JV squad. I'm sure you can improve on your record.

CHEERLEADING

Lori and Caryn

Lower - Melody Martin, Middle - Carrie Kilburn, Ann Shaefer, Chrissie Blend, Robin Sherman, Upper- Sue Stratton, Lori Calvario, Michelle Johnson.

The 1983-84 Varsity cheerleading squad had a very interesting season. Not only had we matured by we learned to work together despite our many differences in the past.

Our two newcomers were Melody Martin and Carrie Kilburn. They both worked very hard in learning the cheers and showed a lot of spirit.

Along with the cheerleaders returning from the last year's squad, our great mascot - Caryn Schmidt - also joined us. Caryn showed everyone how to boost their spirit and helped to get the squad involved.

The person at the end of the bench, who many people forget, taught us all of what we know about being a cheerleader - Shirley Paul. She showed her faith in us, led us in spirit, and showed us her compassion as a human being. She liked to yell a lot but now we realize it was for our own good. We deeply appreciate the patience and time she gave us.

—Robin Sherman

Squad: R. Jeffers, J. Heitzenrater, C. Fish, K. Walters, A. Foss, R. Ogden, and K. Doan

This year's J.V. squad has been more creative and more supportive than in past years. No one was quite sure how this year's J.V. squad was going to turn out, but with 5 good cheerleaders coming up from Jr. High and 2 who already had a taste of J.V. cheerleading from last year . . . What else but a good squad could come out of this? We must remember that the cheerleaders can not take all the credit because without a good advisor, the cheerleaders would be nothing. She has done a good job not only with the cheerleaders, but also in helping with the spirit of our school.

The intramural program at Elkland Area High School is limited to junior high students and sports in which the school participates inter-scholastically. The two programs which are run by Mr. Fisher each year are Co-Ed soccer and Girls' Basketball.

Intramural Co-Ed. Soccer is a program that usually has between 70 and 80 participants, Boys in grades seven and eight and ninth graders who are not playing JV soccer and eligible along with girls in any grade. Each of the teams plays a fifteen game schedule followed by playoffs.

This year's champions, the Cosmos (12-3), finished second to the Metros (13-2), in the regular season, but defeated the Metros 1-0 in the championship game to win the league championship. The Cosmos captain, Randy Fish, and all the other players on the team did a fine job all season. The league M.V.P.'s were Tood Cooke and Joe Cevette from the Tornados and Jack Tallarida from the Metros.

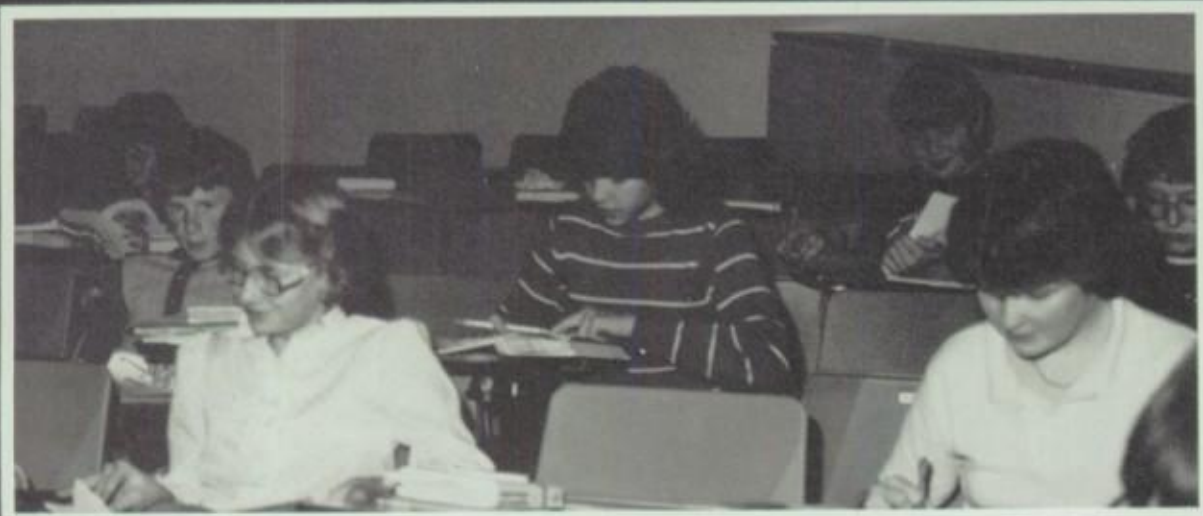

Intramural Girls' Basketball is open to girl-s in grades six through nine. This year we had five teams and approximately thirty girls participating. The Lakers finished the season with a perfect 12-0 record. They were led by their captain, Lesley Gardner, who averaged over forty points a game and was named the league M.V.P.

E.Y.E.A. is looking forward to a great year.

Several members went to the elementary school to aide the te teachers in preparing for the Holiday season. They will continue going through-out the year.

Many fundraisers are being planned. A bake sale in December, brought in sufficient funds, we are also planning on having a dance, sometime in February, and our annual easter candy and stuffed animal sales. The money collected through these fundraisers will help to send members to the convention in Harrisburg. At this convention, E.Y.E.A. members from all over Pennsylvania get together and share ideas and demonstrate what each individual chapter is doing.

This year the student council members took turns reading announcements over the loudspeaker during homeroom. This was to insure everyone knew what was happening in our school.

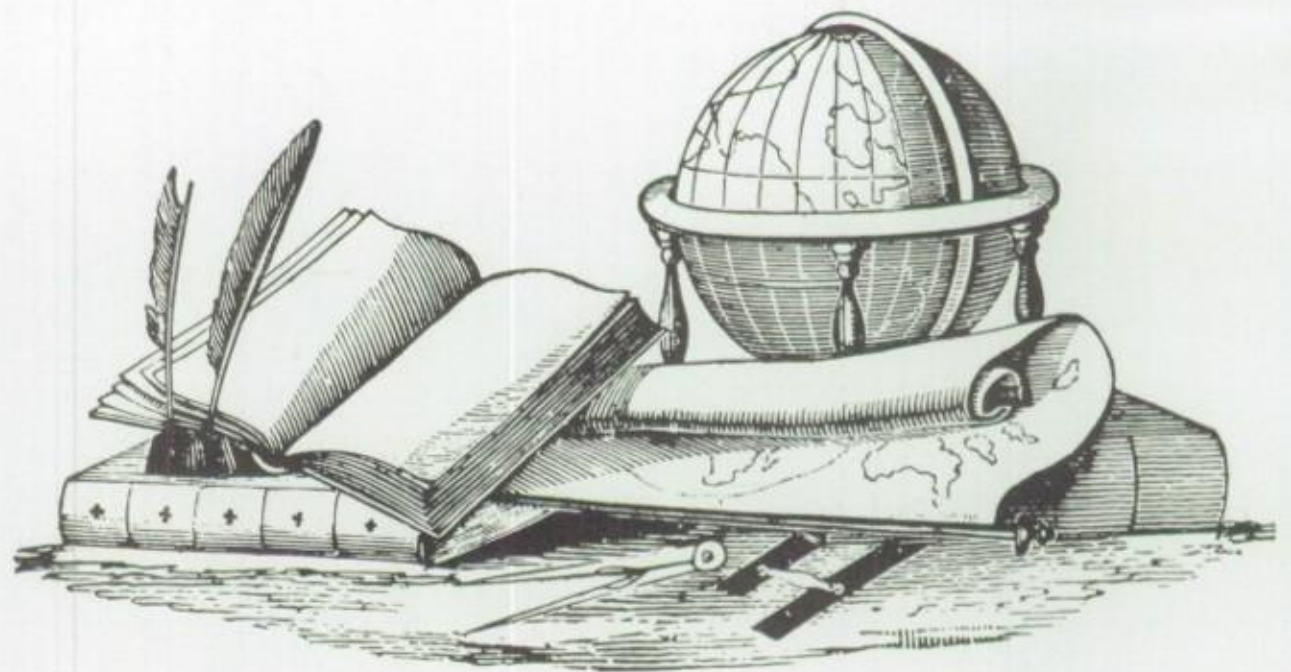

Although we've been faced with many unusual difficulties this year, it has been very enjoyable for all the members and many of the younger members are looking forward even more to their future years to come in Student Council.

JUNIOR PROM '83

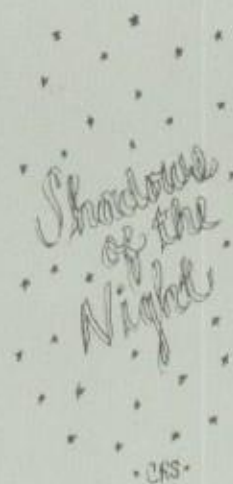

The King and Queen Candidates and their dates: Jay and Caryn, Ben and Chris, Mike and LOri, Mark and Kelly, Tammy and Kevin, Dee and Tom, Dave and Chrissie, ERic and Karan. (Who knows where Ed is?)

On April 30, 1983, the class of '84 had a night, they'll never forget. With the theme of "Shadows of the Night", we chose the color scheme of dark blue & silver. The cafeteria looked like a fairytale ballroom when we were done decorating. Stars of blue, silver, black and purple were scattered everywhere. Crepe paper of blue and silver cascaded from the ceiling. The soft, shimmering light from the burning candles set a mellow, romantic mood throughout the room.

Finally, after dancing, "wining" and dining the clock struck 11:00 . . . It was time to announce the King and Queen . . . 4th runners up, Chris Churchill and Tom English; 3rd runner up, Caryn Schmidt and Eric Hackett; 2nd runners up, Lori Calvario and Dave Haslund; 1st runners up, Chris Blend and Mark Patrick; and the winners . . . Tammy Hurlburt and Ed Brimmer.

The band "Spice" did a terrific job entertaining our unique class, but for most of us, the real fun began after one

YOUR PHONE.**

Let's Talk Phownership.

Once you're sold on the idea of buying your phone, you can say goodbye forever to those monthly equipment rental charges you're now paying. It's true! Federal regulations now allow us to sell you the phones you're using. More specifically, the phones you're renting.

Phownership is offered to all our Continental Telephone customers. If you are currently renting your phones, you should buy them now. However, if you don't have "Touch Calling" service, you may want to consider it before buying.

The important thing to remember is, we're selling your phone, to you. And if you buy it, you'll save. Just pick it up, call your local Continental business office and let's talk about it right now.

Phownership is a trademark of Continental Telephone, Inc. Touch Calling service may not be available in all areas.

Thanks-

It has been a long, hard and often discouraging haul, but I finally did it! (With a little help from the rest of the staff, of course.)

I would like to thank the area businesses for their support in making the '84 Loudspeaker possible. Without their support and financial assistance, it couldn't have happened. I would also like to thank the members of the faculty and staff for their cooperation. And last, but by far not least, I would like to thank Mrs. Johnson, our advisor. She encouraged us and gave us morale support throughout the year.

To my Fellow Classmates:

Our class is probably the most unique class that has ever graduated from Elkland.

I know I will miss every one after we leave. If someone, anyone, out of our class left and had to be replaced, it would be like trying to fit a square peg into a round hole. The members of our class are not replaceable. We are like a puzzle, each piece so different, yet when you put the pieces all together, they come out beautifully. I hope that we will stay in touch over the years.

Don't ever forget all of the times we have had together, in and out of class. Hopefully we captured a few special moments in this yearbook.

P.S. Hopefully we'll have a real ball on grad night!

Sincerely,
—Caryn

Dear Aunt Gertrude,

Hope you like the Year book. I
personally hate my school picture.
I hope you had a nice B-Day. I'm
rather in mixed emotions right
now. Next year I'll be a senior and I
still don't know what to do with my
my life. Today has been a rather
nice day. Next year I'll be on the
Tennis team. I love tennis. I
also love French and Chinese (like
in those pictures, also E4E4) I'll under
line all my friends like this are
my best friends with a star added.
May or before I go into the service I'll
visit you.

Take Care

Love Always
